

### **Required Materials for Consideration**

- A completed application, containing an original signature and date;
- Two signed and dated written letters of recommendation from the applicant's references;

*Each person listed as a reference will serve as someone who can substantiate the applicant's potential for academic success. The East Greenbush Fire Company will be authorized to contact the individuals listed as references concerning the application, if necessary.*

- Transcript or record of last year of school;
- Tuition and fee statement from the college/university to be attending or attending at present;
- Copy of program description and course description from the college/university catalog;
- An essay (500 words or less) on the applicant's career plans and academic studies, illustrating how these will favorably impact the emergency service or overall public safety. Please include why the applicant is applying for financial aid through this scholarship and any other relevant information that will aid in selecting the applicant as a recipient of an award.

### **Judgment of Applicants**

The following criteria will be considered when judging applicants:

- Scholastic achievement
- Quality of essay
- Recommendations and references
- Overall career goals and potential favorable impact on public safety
- Applicant's program & course selection & their relationship to the scholarship program

### **Submitting required Materials**

The entire completed application packet must be postmarked on or before June 30, 2010. All required materials shall be submitted at the same time. If any items are missing, the candidate will not be considered for an award. No hand delivered applications will be accepted.
