Building Use Report

Banquet Hall and Pavilion rentals have either been cancelled or rescheduled through July 1st. Governor Cuomo's Executive order No. 202.42 dated June 15, 2020 is still limiting the size of gatherings to twenty five people or less. It states this is through July 15th but I am really hoping once we enter phase 4 this number will increase. We have been following the updates very closely. As soon as that number increases the Board of Directors and I will discuss our reopening plan. It is unclear right now if we will even be able to open in July. I will keep you updated as more information becomes available.

Vice President Liuzzi will be holding a Giffy's BBQ at the Main Station on August 8th. He has the tickets available now or at the Company meeting. Please reach out to Jay with any questions or concerns 518-858-8302.

We extended our big raffle until the July meeting. These can be viewed on our website and/or on Facebook. If anyone would like to purchase tickets, please reach out to me. This fundraiser will help make up for lost income. We will be selling the tickets at the Company meeting also. Please if you can purchase a ticket. Every single ticket helps the Company.

The Fish Committee would like to thank everyone for all of their help with our Curbside Fish nights. The Committee will provide us with a report at the July meeting. A special thank you to our committee chairs Tom Chesser and Joe Winnicki for all of your hard work pulling the events together for the Company.

District Chief Tooker was able to get us approved to be exempt from the group size restriction through the county. The July Company meeting will be held on July 21st in the pavilion. I am responding has been updated to reflect the change.

As always, please reach out to Chief Tooker or myself if you have any questions or concerns.

***Have a great day,
Tracy***
