

SERVICE AWARDS PROGRAM

Past Eligibility Guidelines:

Fire District records will be used to determine eligibility for the five (5) years past service. Pursuant to the enabling legislation, a member must qualify for one year of service to receive past service awards credit up to a maximum of five (5) years. Any member who believes they are not being treated fairly with respect to the point system may bring their problem to the Board of Fire Commissioners.

Entitlement Age:

18 to 65 years

Definition of an "Active Volunteer Firefighter":

A member who has been approved by the authorities in control to be faithfully and actually performing service in the protection of life and property from fire and other emergency for at least one year.

Points:

A year of firefighting service shall be credited for each calendar year by meeting the minimum requirements of fifty (50) points. Code one hundred (100) member who are classified as active are not eligible to earn points.

Service Awards Committee:

Will consist of the following:

- 1) Chairman of the Service Awards Program
- 2) Secretary/Treasurer of the Board of Fire Commissioners
- 3) Fire Company designee

Training Classes:

Includes state, local or any other program approved by the District Chief

Stand-by / Sleep in:

Manning the fire station during non-emergency, such as power outages, inclement weather etc,

Miscellaneous Activities:

Would include such activities as parades, work details, wakes, funerals, fire prevention, firematic competition and practices etc.. But would not be limited to the above

Meetings:

Attendance at any official meetings of the Fire Company will be given one point per meeting. Meetings of Fire Company Committees will not receive service award credit as per General Municipal Law §217(c)(v).

Rev. 1/99
